April 2013

A message from the President:

I am glad to see we are having good turnouts for our meetings. I do need help with ideas to keep the meetings going. If you have any car shows or cruises or anything that you want the club members to know about call me and have it put on the agenda or tell me before the meeting starts or let me know at an appropriate time during the meeting. If you wait till the meeting is over its too late. Hope to see everyone at our club poker run April 28th.

Robert Bogardus

Happy Birthday wishes for April go out to: Peggy Bogardus, Sherry Osborn, Tracy Renfro, Mike Rhoades, Ruby Watt, Eddie Watts,

If your birthday was missed, it is because we don't have your birthday on record. To alleviate this in the future, please let me know and I'll update the master member info file.

Happy Anniversary to those of you married in April.

This months **Ladies Choice Selection** is Joe and Donna McIninch restored 1956 Chevy 210 2 Door. Powered by a 283 with four barrel carb, Tremec five speed transmission, power front disk brakes, power steering, updated instrument cluster, IDIDIT tilt wheel, air conditioning and 336 rear end gears.

This car is the clone of Joe's high school ride he used to run between his military duty station in Aberdeen Maryland and his home in Davidson Oklahoma. He set some unofficial speed and time records that the state law enforcement folks would still like to talk with him about.

Club President Dr. Robert Bogardus won 1st place in the Camaro/Firebird/Mustang group at the Hudiburg Open Car Show April 20th. A nice sunny day enjoyed by all with over 75 cars displayed at the Tinker Diagonal dealership.

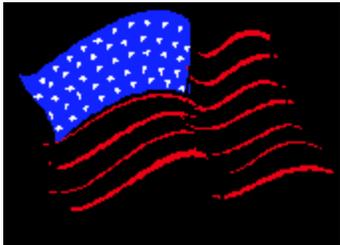

His 1967 Camaro was sold new in Midland Texas. It was equipped with a 350 with powerglide transmission, sporting the original color of marina blue and accented with a white stripe.

Robert purchased his new project in May of 2006. The previous owner had all Mopars in his collection and was getting rid of all other brands of cars. With a smile on his face and a few green backs in his hand he was more than happy to help him out!

In Oct 2008 Larry Myers installed a new ZZ4 crate motor with A/C.

A friendly reminder please don't forget to pay your club dues.

I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible with liberty and justice for all.
