

The Dashboard

A Publication of Central Oklahoma Classic Chevy Club July 2024

Good afternoon club members, We just celebrated Independence Day with family and friends. In my opinion, following Christmas and Easter, it is the most important holiday for our country's citizens. God fearing, brave and brilliant men ratified the Declaration of Independence on July 4th and six months later, all required signatures appeared on the document. This action gave birth to the greatest nation on earth. I know that our membership gives thanks daily for our country of birth and citizenship.

Take a moment and think of your family's journey that resulted in your American citizenship. I'm very thankful for my Oklahoma birth and for the circumstances that brought our club members together.

God Bless America!

Humbly submitted,
Tom M.E. Linn-Lim

June 22, 2024 Members of the Central OK Classic Chevy Club met at McDonald's in Newcastle (Tri-Cities) to go on a dinner cruise to Marlow, OK. Members in attendance were Junior & Lynn Cradduck, Mike & Claudia Hanes, Tom & Teresa Linn-Lim, Joe & Donna McIninch, and Larry & Annette Myers. Following the leader, Tom & Teresa, we made it to our destination without incident. We went to Giuseppe's Italian Dining restaurant. Good food, Good conversation, Good friends and a good time was had by all.

Members drove their classics to enjoy the cruise and meal. The restaurant is inside of the 1911 State National Bank building. If you wanted, you could eat your meal in the vault.

On June 29, 2024, members met at the Braum's in Tri-City to cruise to Medicine Park, OK for lunch in the Old Plantation restaurant. Those members are: Shirley Bynam and guest, Rodney & Martha Duerksen, Mike & Claudia Hanes, Jimmy & Diane Johnson, David & Mahala Jones, Dale Kosa, Tom & Teresa Linn-Lim, Hugh & Doris Martin, Larry & Annette Myers, True Osborn, Greg & Sherrel Porter & guests, Terry & Kay Simpson, Mike & Adeline Yerkes. I'm not sure of all in attendance as there are new faces in our club and I'm not familiar with all.

The food was wonderful, the restaurant seated us promptly and the place was very comfortable (cool) not like it was outside (hot). We were served wonderful food and it came out faster than we thought with such a large group. Larry wasn't the last to be served either.

The Beginning!

Look at the size of the meals! Everyone got their food fast and it was good eating!

“The end” of a wonderful meal and cruise with wonderful cars and friends. Let us do it again another day!

Central Oklahoma Classic Chevy Club Officers
