

A Publication of Central Oklahoma Classic Chevy Club June 2024

Greetings Club Membership,

We, with family and friends, recently enjoyed an extended weekend, made possible by combining Memorial Day with Saturday and Sunday.

Many gathered at lakes, parks, family or friend's homes to celebrate our freedom and mourn the tragic sacrifices of our fallen military personnel. I'm proud to be a member of a club that is patriotic and devoted to our country.

God Bless the USA

Humbly submitted

Tom asked members if they read last month's minutes.

There was no treasurers report

Tom discussed the Okie National Car Show stating that he was unable to attend the meetings as he was ill. He reported some of the same that was discussed last meeting.

Shirley told us that member, Billy West was in the hospital and was preparing for surgery. A card was signed and will be sent to him. We hope everything turns out to be good for him and Loreta.

The insurance policy was discussed again. Larry suggested that we look for local coverage if we consider having another car show.

On May 10, several members met at OnCue at 104th and I-44 at 4 pm to go on a dinner cruise to Fort Cobb Lake Steak House. After all members got there, we left out and followed our illustrious leader, Tom Linn-Lim along several roads. When he turned into where we were to have our dinner, it looked like the place was closed. It had just opened for the evening. We were seated and we all had a good time with our conversations. The members in attendance were: Russell and Diane Burke; Shirley Bynum & guest; Jr & Lynn ; Tom & Teresa Linn-Lim; Larry & Annette Myers; Greg & Sherrel Porter and guests. Great meal and conversation. Everyone headed back to their respective homes.

April 27th Dinner Cruise:

President Tom Linn-Lim scheduled a dinner cruise for April 27th, but it seems that he became ill with an upper respiratory infection and couldn't lead the group there. Joe & Donna McIninch lead a group over to The Shed restaurant in Kingfisher. The group said the food was good, the driver was decent and although there were only 7 in the group, they had a good visit.

Those attending were: Joe & Donna McIninch, Ruth & Eddie Watts, Tom Jourdan and Jr and Lynn Craddock.

On a few days before Memorial Day, Annette & Larry decided to go on Route 66 to see and drive across the "Pony Bridge" as we missed the reopening of the bridge with our last dinner cruise. Larry mentioned it to Greg and Sherrel Porter and they mentioned it to Phil & Sharon Smith and Annette mentioned it to Larry & Tracey Myers. So there were 8 of us total that got into our cars to drive Route 66 on Memorial Day. Porters in their Caddy and Smiths in their pick up and Myers Jr. in their '68 Camaro and Myers Sr in '57 Nomad. After the rough ride on Route 66 to the bridge, it was a consensus to go to Lucille's in Weatherford for dinner. After more rough road, we made it to the restaurant and had a delicious meal and good conversation. We were stuffed and got into our respective vehicles and headed back to Edmond staying off the original Route 66 and going I-40 to the turnpike and on home.
