Fall Foliage Tour, 2011

Members,

Remember that our annual Fall Foliage Tour is scheduled for October 14, 15 & 16, 2011 in Bartlesville, OK. Some of the membership will be leaving on Thursday, October 13, 2011. They will be meeting to leave at 9 am at the Braum's at I-35 & 15th street in Edmond. Members wanting to leave with this group, needs to call Larry Myers, 627-5598 or Rodney Duerksen 823-6264 and let them know that you want to be with that group.

Some other members are leaving on Friday and if you want to leave with that group, you need to contact Bill Overall at 615-5899.

The Thursday group is planning on going to Woolaroc Museum & Wildlife Preserve on Friday. I personally haven't been to the museum for 30 or 40 years and I'm sure that there are changes and additions to be seen. If you have never been there, you are in for a wonderful time. The Tulsa area Classic Chevy Club said that the museum is not in their plans for the group.

The Woolaroc Museum presents one of the world's most unique collections of Western art and artifacts; Native American pottery, baskets, beads, blankets and cultural art; historical displays; and one of the most complete collections of Colt firearms.

The 3,700 acre wildlife preserve is home to more than 30 varieties of native and exotic animals and birds. It is a working ranch that maintains the animals for the enjoyment of our guests in a natural, protected setting. Frank Phillips, founder of Phillips Petroleum Company, created the Woolaroc preserve in 1925 to retain the essence of the West as he had known it before the turn of the century.
