SPRINGFIELD, MO CLASSIC CHEVY SHOW

Larry cleaning under the car, like he told me he wasn't going to do. Central Oklahoma Classic Chevy Club members, Mel Harris, Paul Harris, Phil & Deanna Daniel, Annette & Larry Myers went to Springfield, MO in August for the 32nd Annual International show. The weather was hot, but they had a turnout of 209 cars for judging and cruiser's class. There were some real nice cars and some cars that made you think "What is this car?" The Classic Chevy Club of Springfield put on a real good show. There were cars that needed repaired and Wendall Royster and others in the show who pitched in to

help. There were a lot of cars that this was their first time out to be judged. There was also a \$1,000,000 Camaro there too.

Mel Harris' "Black Magic" '56 Bel Air won Cruiser's pick entitled "Black Magic Anniversary" Phil & Deanna Daniel scored 911 with a Silver certificate that placed him in third place in factory original. Annette & Larry Myers scored 983 with a Platinum certificate placing him in second place in 1957 Custom.
