A Publication of Central Oklahoma Classic Chevy Club

September 2010

Greetings:

I'll begin the letter this month with a get well wish to Joe McNinch – cards are welcome and a call to Donna to make sure she is able to use her nursing skills successfully to nurture him back to health. We missed them at the car show on Saturday August 28, 2010.

Our club experienced a tremendous amount of recognition during recent car shows, particularly the Village Lions Car show. A number of our members received trophies to include Fred Hensley, Mark Houser, Larry and Annette Myers, Billy Overall and Eddie Watts. Also the Okla. City Classic Chevy Club received a trophy for the most cars entered – we had 13 cars entered. Additionally, the Club was awarded a gift certificate for 20 sandwiches at the Boneyard restaurant in Guthrie, Oklahoma to be used by December 28, 2010 – looks like a future cruise opportunity.

Our next event September 25th, 2010 will be in Perkins, Oklahoma. We will meet at Braum's -15th and 1-35- and leave by 8:00 AM for Perkins, Oklahoma.

Remember to get your club shirts monogrammed so we can be uniformly dressed when we attend future events. Rustyne or Annette will monogram your shirts for a nominal fee.

The next meeting will be at COIT's September 12, 2010 at 3:00 pm. Be safe until then.

Another 24hr part 2

Chula my 1954 station wagon was operated on. I took out her strait six motor and five-speed transmission and put in a 4.3 V-SIX with a 700R4 automatic, Edelbrock 4 barrel carburetor new motor mounts.

I started working on her in July and finish on the 20th. On July 21, 2010, Gloria and I headed to California in the motor home with Chula being a trailer queen. In Upland California I put the motor home and trailer at Dry-dock Storage, unloaded Chula and started driving her North to Oregon. I was really satisfied driving I-5 North.

When we hit the Bigggg Mountains of Northern California and Oregon I was Happy keeping up with all the other vehicle going up those bigggg mountains. On the way back to California we drove to Sequoia National Forest. Those Sequoia trees are really big. We left the forest and headed to Pomona, Calif. Went to Disneyland, ate many times at In and Out Burger.

We had a great time at the VIEJITOS 25th Anniversary. The Viejitos Car Club had 250 to 300 cars dated from 1930 to 1959. All these cars are owned by a Viejito member nationwide. We had a real good time on the road. Got home Friday the 13.
