### **David and Mahala Jones' 1957 Chevy Belair**

#### **David's story about this Classic Chevy**

- Bought the car in the summer of 1996 at a Drumright dealership
- The car was "just driveable"
- Jack Reeves in OKC did a off-frame restoration in 2001—the interior was farmed out to another vendor by Reeves
- Amenities include power steering front disk breaks and air conditioning

**We drive this car everywhere we a chance to show off our classic and whenever the occasion arises. This car has never been trailered. David and Mahala have attended the Bixoli, MS "Crusin the Coast" event twice in 2002 and 2003 and will again attend this fall. They have also attended every fall foliage event with the car.**

**This car is David's grandson's favorite car—he calls the car "his car." The grandson was 9 years old when they bought the car and 21 years later it's still "his car."**
