A Publication of Central Oklahoma Classic Chevy Club September 2024

During the past week, four people, we had direct or indirect connections with, have passed away and others are seriously ill.

With the above in mind, I think I should let the little nuisances of life skip by and take advantage of the time I have remaining. Our Club Members recognize and appreciate the blessings we have, life, mobility, food, shelter and the financial ability to own and operate classic Chevys.

I realize we probably can't take overnight trips often. However, by taking overnight trips, I see additional benefits compared to dinner cruises. Dinner cruises are great and we must continue them. During overnight outings and in the evenings, we could find ourselves immersed in gleeful enjoyment of playing games and building closer friendships with our club members. Just think back of our fall foliage tours and the booming laughter coming from our card and domino tables. Why should we limit this experience to once per year? It's something to consider.

Thank you for your friendship and the time we share.

Humbly submitted

COCCC Dinner Cruise

Even though the temperature was 100 plus degrees, members met to drive to Meer's for dinner. Only one couple was brave enough to drive their classic. Larry says we are a classic Chevy club and we should drive a classic to all events possible. We had just returned from Boise, Idaho so we knew the a/c was working great. The other members drove their more cool cars. Members in attendance were: Doug & Carolyn Bradsher, Russell & Dianne Burke, Shirley Bynum, Joe & Donna McIninch, Larry & Annette Myers, Billy & Mary Overall, son Mike & his friend (I forgot his name), Eddie & Ruth Watts, Kay Welch, and Mike & Adeline Yerkes.

Good burgers enjoyed by all.
Some enjoyed the cobbler and ice cream too! Good food! Good fun!
